

## A Food for Special Medical Purposes

### TYR Easy Tablets

TYR Easy Tablets are a tyrosine and phenylalanine free protein substitute tablet containing essential and non essential amino acids.

TYR Easy Tablets are suitable to be used in the dietary management of TYR (tyrosinemia) patients aged 3 years and above.

### Important Notice

Must only be given to patients with proven TYR (tyrosinemia) under strict medical supervision.

Suitable from 3 years of age.

Not for use as a sole source of nutrition.

Diet must be supplemented with natural protein, water and other nutrients in prescribed quantities to supply phenylalanine and tyrosine, fluid and general nutritional requirements.

For enteral use only.

### Storage

Store in a cool, dry place.

### Pack Size

6 x 77 tablets.

### Dosage TYR Easy Tablets

Dosage to be determined by the clinician or dietitian and is dependent on the age, body weight and medical condition of the patient.

TYR Easy Tablets are coated (slow release) tablets which are to be swallowed with liquid.

11 tablets = 10 gram of protein.
